

SAN DIEGO COUNTY TRAFFIC ADVISORY COMMITTEE

COMMITTEE REPORT OF: June 20, 2008

Item 2-E

CONSENT ITEMS:

1. Sheridan Road from Jeb Stuart Road northerly 1,200 feet, CAMPO (Thos. Bros. 1318-A6/B7). Campo/Lake Morena Community Planning Group. Establish a prima facie 25 MPH speed limit adjacent to a children's playground (Mountain Empire Community Center) only during particular hours or days when children are expected to use the facilities (6:30 AM to 8:30 PM Daily). The Campo/Lake Morena Planning Group and the County Department of Parks and Recreation support the proposed prima facie speed limit.
2. Camino Monte Sombra, from a point 500 feet east of Calle de la Sierra easterly to the End, EL CAJON (Thos. Bros. 1252-E4) Crest-Dehesa Community Planning Group. Extend the existing temporary road closure established as a result of serious and continual criminal activity, an additional 18 months. Past conditions identifying the justification of the temporary road closure have not changed. Therefore, an extension for an additional 18 months is appropriate.
3. Noeline Avenue, south side, from a point 500 feet east of the east line of Carlsbad Street easterly 30 feet, SPRING VALLEY (Thos. Bros. 1290-J4). Delete an existing bus loading zone. Bus loading zone is no longer necessary. The Principal of Rancho Elementary School and the Department of Public Works-School Liaison Officer support the removal.
